

## Hidden Treasure!

Look carefully at the map- as you can see there is a green arrow. This points to where our Geo-cache is hidden. Search very carefully to see if you can find it and see what treasures lie inside.

Don't forget to put something interesting inside for someone else to find!

Start at Devoran Village Hall, right turn, up Market Street.

Cross St. John's Terrace. Go past the church of St. Petroc and keep going up the farm road until you come to a stile on your left.

Over the stile and then turn next right across a farmers field. Then past Middle Devoran Farm and over a stone stile.

Straight along a little lane and past a memorial bench, before turning right at a metal gate.

Pass through two more gates and continue along some wooded lanes until you go down a steep track. After that turn right onto a small road.

Finally, turn left and keep on going until you reach Devoran Quay.

Stop at the creek for a nice rest and some fun for the kids. Now for the home straight— after leaving The Quay and go along Quay Road .

You are now back at The Village Hall where you started.
